

Community Advice Network

www.bradfordcan.org.uk

www.bradfordcan.org.uk

The Community Advice Network gives free, confidential, impartial, independent and reliable advice across Bradford district

Please read this first! It will help you make the most of this leaflet

All these advice centres are local charities. They give free, independent, impartial, confidential and reliable advice. Most of them can help with benefits and tax credits, debt, housing and homelessness and employment rights. Some can also help with immigration issues. They have all been awarded the national Advice Quality Standard.

This leaflet gives you details of the main offices of local advice centres. There are also lots of outreach advice services across Bradford, Shipley, Keighley and surrounding areas – eg in doctor's surgeries and Children's Centres. You can find all of these outreach services on our website: www.bradfordcan.org.uk

When you have found an advice centre that you want to visit, please ring them up in advance:

- check their opening times or ask how to book an appointment
- ask about disabled access if you have problems with mobility, seeing or hearing – some centres can offer home visits
- if you do not speak English and will need an interpreter

The Community Advice Network is a registered charity (number 1105947).
