To establish a group bringing together VCS and CCG to maintain dialogue and drive improvement

BVCSA

To work with Bradford Provider Alliance partners to develop the ACS for Bradford

RMG

To work with Bradford Council to bring VCS voice/influence

2. Main areas of discussion (bullet points).

RMG – No meeting

BVCSA – Report presented by BVCSA

JSNA – No meeting

ASG – meetings have been postponed due to ill health of SK – will be looking at the relationship between the ASG and BVCSA going forward.

SPG

Update on Self-Care and Prevention by Collette Connelly – invited to the H&W Forum to provide and update there as well (on the agenda for the 5th August)

There was supposed to be an update on the Health Hubs and Healthy Bradford Charter etc. but Rose Dunlop was unable to attend – suggest that we invite RD to the Forum to find out the thoughts of PH re the framing of prevention provision for Bradford

Areas of concern – CCG commissioning. As there are opportunities opening for services to be commissioned through BVCSA it is becoming clear that there is no clearly defined route. This is leading to confusion and frustration on all sides as different parties within the CCG seek to 'have their say' in the final outcome of any commission. It has been agreed that Ali Jan will work with reps from BVCSA and the ASG alongside reps from with the Bradford Care Alliance (GP CIC) and CCG to better understand the issues/ constraints on all sides
